

Good morning in the U.S.A.

Things are starting to slow down for me. We just received 14 of your new FOD*BOSSes and everything is going great. Just some information on this WING, we were the largest WING in the history of the Air Force. Our WING produced 6892 Sorties and we flew 30,0047 flying hours and we did all of this with out losing one Sortie (Aircraft) to FOD. Gary, your product truly played an important part in the WAR and this WING. I want to thank you for what you have done, and continue to do for the AIR FORCE FOD PROGRAM.
